## Summary of 48 years in Professional Medical Service

I spent my three decades of medical/clinical work as an Emergency Room physician and a Level 3-Perinatal ultra-sonographer in an active Obstetrical and Gynecological practice; Resident Instructor in the Obstetrical Training program at the University of Arizona; Director of the Gynecological Nurse Practitioner Program at the Nursing College at the University of Arizona and the Director and Instructor of the Nurse Mid-wife Program at Army Hospital, Ireland General, at Fort Knox, Kentucky. I was sent to Guam in 1975 as an Army's OB-GYN Advisor during the Vietnamese Evacuation, Operation New Life. The past 20 years I have been intensely involved in the creation of instructive formats to assist in conjoining conventional allopathism with complementary and integrative medical regimens, emphasizing energy medical protocols. I have been involved with radio show guest-interviews, inter-national speaking presentations and assisting in the creation of nutritional and OTC pharmaceutical topical products for various nutritional and medical markets, respectively. Presently I am the lead clinical consultant and trainer for **Biocence Technology**; Mentor to a Naturopathic Physician Candidate in Dallas, Texas; Mentor and document editor for an enrollee at the Sol Price, Post-Graduate School of Health Sciences at the University of Southern California in the Masters Program for an Executive Master of Health Administration certification and Supervisory Consultant for an incoming Director of Health Care Management Services at a 100 bed, Acute Care Facility in Southern California.
